

**Short Learning Programme Outline:
Introduction to the Principles of Law Enforcement for
Peace Officers (LEPO)
40 contact hours (5 days)
Aligned to Unit Standard 377224**

Purpose of Short Learning Programme (SLP)

The purpose of this SLP is to equip students to be capable of understanding the relevant sections and regulations contained in the criminal procedure legislation pertaining to peace officers. The SLP will enable the student to apply the applicable legislation by enforcing the provisions of the legislation, teaching the public and leading by example.

This short learning programme:

- Is aimed at delegates who don't have an NQF 4 qualification, and completion of this short learning programme may provide access to the Law Enforcement for Peace Officers (LEPO) course at NQF 5;
- Caters for both peace officer and traffic warden;
- Includes the bylaws of the specific organisation or authority; and
- Is aligned to unit standard 377224 *"Demonstrate an understanding of the role and functions of a Peace Officer and Traffic Warden."*

Entrance Requirements

Communication and language competencies at NQF level 4.

Assessment Practice

Assessment consists of a written knowledge test and a written practical assessment, which requires the completion of applicable documentation and notices in terms of a given scenario.

The knowledge test represents 40% of the total marks, while the practical assessment makes up the remaining 60%. Students must obtain 42 out of 60 marks for the practical part (a 70% pass-rate requirement). In order to comply with the requirements of the course, both the theory and practical components of the assessment need to be met.

Attendance Requirements

Kindly note students are required to attend all training days for the duration of the course.
